Presidential Ramblings

Presidential Ramblings

The PG&E Siren TeSt appeared well attended by PRARC member from my survey at the BBQ. Thanx to those who directed their donation to our club.

This month's festivity is the reinstated fish fry. Carol KC6UAN and Jerry AB6BO are hosting it at their place. Jerry assures me one of them will be at the September club meeting to give us the details.

The call for a Holiday Party chairperson was answered by our Treasurer Jane KF6QHP. This party won't happen by itself so please give her your full support.

The September meeting is on the 13th due to the Labor Day Holiday. The presentation will be by Pete Lawn, WA6DFU. He'll be educating us on WiFi.

During break at the last meeting, someone mentioned thanking the companies donating to our club. I'll get a list of them compiled. You may know some of them already. A personal thank you from our members will go a long way to ensuring they continue to help us. Please don't miss the opportunity if you do business with them.

See you on the 13th!
